Association, formed in 1958 is a group of piano enthusiasts who meet to perform major classical piano works in an atmosphere of friendly criticism and support, wherever possible, to contribute to the musical life of the community. The ***Scholarship for Senior Piano*** is awarded to the Senior Piano Student in Grade 10 OR the student who achieved the highest mark based on both the practical and theory examination marks.

Harold Saklofske was an instrumental force in the Calgary music scene since the 1940's as a pianist and conductor. His "thee" sound used for all of the big functions and visiting celebrities, right through to the 1980's, saw the importance of nurturing and inspiring students. With Harold's passing in 1988, a fund was established to provide \$500 a year for eight years to be gifted as scholarships to promising young musicians. The fund is now known as the Harold Saklofske Recitals and Awards. There will be two scholarships of \$250.00 each named after Harold Saklofske.

Higgin Memorial Scholarship is awarded to a senior voice student (Level 10 or above) who has shown exceptional talent in the musical life of Calgary, and their legacy lives on in the teaching of their daughters, Elaine Case and Jennifer Higgin. A life sized painting of Elgar Higgin, by John Glyde, hangs in the National Music Centre. Each year the Banff Centre awards a scholarship named after Elgar Higgin. Elaine Case has donated the Eileen and Elgar Higgin Memorial Scholarship in honour of her parents' devotion to the development of young musical talent.

"We have been purchasing Yamaha pianos for over twenty years. The tone, touch, and consistency of Yamaha pianos have made them the first choice of The Royal Conservatory."
